

Vacancy: Resident management couple/duo to join successful tourism business

Fancy a change of scenery? How about Highland Perthshire? We're looking for a couple/duo to manage our 15 self-catering lodges set on the banks of the River Tay in the village of Logierait.

Background

Logierait is a tourism brand has proven highly successful. The business is based in the village of Logierait, just a short drive from Pitlochry and Dunkeld and just off the A9. With year round holiday lets and occupancy levels of over 80%, Logierait is an ideal lifestyle opportunity for a couple or duo who are looking for a new adventure.

We seek dynamic individual(s) with some previous experience in tourism to help drive our business forward.

Role Description

Operational Management of Logierait Lodges

Operations

- Conduct cleaning and routine maintenance activities between guest departures and arrivals
- Be focal point for guests during their visit
- Reply to guests on online forums/platforms
- Oversee and co-ordinate work schedules for other hosts
- Manage maintenance and repairs as and when required.
- Conduct replenishment purchasing activities through preferred suppliers
- Manage and ensure compliance to regulations/requirements.
- Quality control and improve on the existing offering/experience to maximise customer service and thereby increase repeat custom and overall occupancy levels;

- Proactively seek to improve the offering and seek alternative opportunities to enhance experience

Financial accountability

- Collation and preparation of the team's hours, to be used in their wage's calculations

Marketing

- Support with digital content – Facebook, Instagram etc

Person Specification

We seek a couple who are self-starters and seeking a lifestyle change. Positivity, enthusiasm and ambition are essential attributes. Due to location driving licence and access to car is considered essential.
